

■ SUNSMART ■

POLICY

Rationale:

- Over exposure to the sun presents a serious health risk. Students must therefore be educated as to the need for suitable sun protection, and protected from over exposure to the sun whilst at school.

Aims:

- To educate students as to suitable Sunsmart protection strategies.
- To encourage children and teachers to protect themselves from the harmful effects of the sun.

Implementation:

- Children will be required to wear School Council approved school uniform, which will include shirts and skirts with collars, longer styled shorts and skirts, and broad brimmed or bucket style hats during terms 1 and 4 whenever they are outside.
- Appropriate School Council approved school uniform hats for students will be readily available in the uniform store room for purchase.
- Children without the correct hats will be restricted to play in designated shaded areas. Children who habitually don't bring a hat may be restricted from playing outside.
- Children will be actively encouraged to wear a broad-spectrum water resistant sunscreen (SPF30+). Sunscreen will generally be applied by students themselves or with the assistance of their sunscreen buddy according to the manufacturer's directions, under the supervision of teachers. Teachers may apply sunscreen to very young or disabled students if necessary, and if written parental approval is provided. The use-by date of sunscreen will be monitored and replaced when necessary.
- Whenever possible, outside activities on hot days will be scheduled before 11:00 am.
- The school council will provide adequate shade structures for students as practicable; particularly over high density play areas such as sand pits and play equipment.
- The school newsletter and school assemblies will be used to highlight and reinforce the Sunsmart message.
- Sunsmart activities and sun protection will form part of the Health and Physical Education curriculum at all year levels.
- Our school will seek accreditation as a Sunsmart school at the Anti-Cancer Council of Victoria at an appropriate time in the future.

Evaluation:

- This policy will be reviewed as part of the school's review cycle.

This policy was last ratified by School Council in....
